Child care service is available for Ohio families considered essential employees based upon rulings for temporary emergency child care. Primarily these families are health care employees.

CoStars By The Children’s Home is a licensed child care provider, located in a state-of-the-art facility, providing a safe care environment for 2½ - 12 year olds. Trained in using best practices, CoStars’ highly experienced teachers provide an array of education, enrichment and recreation activities designed to promote children’s educational success, health and wellness.

During this time of crisis, Costars Emergency Child Care program can be a source of support for families who need quality and reliable care for their child while providing essential service in the community. Opening Monday March 30th, the Costars program:

- Operates 7 am - 6 pm, Monday – Friday
- Implements a small group model (only 6 children per classroom)
- Provides Nutritious breakfast, lunch, and snack
- Accepts various payment options: state-funded child care vouchers, Cincinnati Preschool Promise, private pay and scholarships available.
