## WHO WE SERVED

## FAMILY PUTS CRISIS BEHIND THEM

Jasmin Buchannon sought counseling from The Children's Home for herself and her two sons after her husband had to leave the country. Her sons struggled with resentment due to their father's departure. For a while, the older boy, Jihad, spent much of his school day in the nurse's office, crying. "After getting involved with The Children's Home, I started seeing improvements with Jihad. I started to see him trust again. I started to see him laugh more...From working with The Children's Home, I have gained the courage to keep going. I have gained the inspiration. My therapist has been there with me every step of the way."

"THE CHILDREN'S HOME GAVE MY SON THE CONFIDENCE IN HIMSELF TO RETURN TO PUBLIC SCHOOL. HE LEARNED SOCIAL SKILLS THAT HELPED HIM TO MAKE FRIENDS AT SCHOOL...HE GOT HIS DRIVER'S LICENSE, A PART-TIME JOB AND A 3.5 GPA IN PUBLIC SCHOOL."
